Shareholders Anne S. Babineau, Lawrence F. Jacobs, and Steve Tripp, to Moderate the NJSBA's 2025 Redevelopment Law Institute

01/24/25

On January 24th, our Shareholders, Anne S. Babineau, Lawrence F. Jacobs, and Steven Tripp will moderate the Annual Redevelopment Law Institute. This event will provide a great opportunity to network with experienced practitioners and professionals who will gather for five panels that will also help you spot and be prepared to address the following challenges:

- The Redevelopment Plan calls for Industrial Development
- The Capital Markets are experiencing a time of uncertainty and change
- You want to be sure that the Redevelopment Area Designation is based on substantial evidence
- Implementation of the new Affordable Housing Law requires you to learn a new process
- Your Coastal Project requires you to learn new NJDEP regulations

This program has been approved by the Board on Continuing Legal Education of the Supreme Court of New Jersey for 7.5 hours of CLE credit for attorneys.

[For the full Program Agenda and more detail regarding focus of each Panel and Speakers, and to register, please visit the event page.](#)
